NOTICE

Ref. No.

Date : _____

14th November 2018

Students are requested to take note of the short-term course, 'Grooming for Industry' and interested students enroll for the same.

Details are as follows:

Course: Grooming for Industry

Aim of the Course: To make students Industry Ready, to bridge the gap between academics and Industry, to enable them to channelize their knowledge and energies towards Industry orientation and requirements and thereby achieve their vision. Industry experts will address the students and groom them to the next level of Industry Preparedness. They will kindle insights of the practical Corporate environment, thereby sharpening the student's perspective on what is expected of them and how to prepare for taking on the challenges and opportunities of the external environment. The course will benefit students across streams and is facilitated by the expertise of distinguished personalities.

Course Syllabus:

Insight into the diverse Industries; Analysis of Opportunities and Challenges with simultaneous identification of required preparedness; Brain-storming of academic knowledge based on existing syllabus and co-relating with Industry requirements; Identification and Study of the various technological advancements and the impact on work culture, job content and job description; Understanding of the concept and practical application of Continuous Learning, Unlearning and Re-learning; Application of the concept of continuous upgradation; Identifying futuristic game-changers with respect to innovation; Importance of Strategy and Strategic Analysis; Blue-Ocean Strategies; Learning to keep abreast with the happening world; Personalised Learning Methods(PLM); Learning to cope with stress; Time Management; the Global Diaspora of Industry Insights; Practical Leadership; Situational Leadership and its importance; Importance of Ethics and Values; Practical implementation and Futuristic Planning tips.
