(ii) Themes NA

2.14 Significant Contributions and Activities made by IQAC:

- 1) Formation of a Research Committee to promote research culture amongst the faculty.
 The Research Committee is formed to guide teachers regarding publications and different avenues available for quality research journals.
- 2) To make a list of journals of repute for different subjects and Library should try to procure more journals in the college collection.
- 3) Special badges should be given to all prize winners as soon as the events are won. This will motivate other students and build up the moral of the prize winners. Accordingly badges were approved and presented to the eligible students.
- 4) Education Social Responsibilities (ESR) activities should be initiated.
 Awareness about Road safety amongst the citizens is of urgent need in today's fast moving world. Keeping this in mind the college has started with an innovative program named as Raftar in order to not only bring awareness about road safety amongst our college students but to reach out to a wider no. of road users.
- 5) Annual calendar should be in soft copy and displayed well in advance.

Devi
Principal

PARLE TILAK VIDYALAYA ASSOCIATION'S
M.L.DAHANUKAR COLLEGE OF COMMERCE
 Mumbai -400057

Annual calendar has been displayed on the notice section in the college website and has also been printed in the college prospectus.

- 6) Regarding safety in the college fire extinguishers should be strategically placed in major gathering areas.
 Already installed & AMC is being done every year.
- 7) Foreign language Department has been started in the languages of French (14 students), German (56 students), Japanese (14 Students) and Spanish (30 Students). A total of 114 students has enrolled for different foreign language courses being conducted in the college.
- 8) For enhancement of infrastructure, public address systems have been introduced in 15 classrooms. This is a venture to augment the teaching learning process.

IQAC conducted regular meeting every Quarterly and chalked out the Course of Actions and the Developmental Activities to be undertaken.

- 1) MOU with industries to be developed
- 2) External subject experts in the fields of Commerce/ Banking/ Industry to be invited for interaction with the students regarding current topics of interest.
- 3) Academic Audit to be conducted.

2.15 Plan of action by IQAC/Outcome:

Plan of Action	Achievements
1. Enhancement of Infrastructure	<ul style="list-style-type: none"> A State of art gymkhana with all modern gym equipment was inaugurated on June 2015. Public address systems have been introduced in 15 classrooms. This is a venture to augment the teaching learning process.
2. Education Social Responsibilities (ESR) activities	<p>Activities like Awareness about the menace of Road rage was started under a program named as Raftar.</p> <ul style="list-style-type: none"> The students are made aware of the website www.ysa.org which contains all the instructions for road safety audit. Accordingly our students were

Deven

5.6 Details of student counselling and career guidance

- Counsellor is available on college premises on a predetermined day once in a week. Separate cabin is provided to the counsellor for counselling the students and teachers in a confidential environment. The counsellor gives expert guidance on the various psycho social problems faced by the students. The teachers also on an individual level try to resolve the problems if approached by a student.
- Career guidance and Placement cell located on fourth floor, counsels the students regarding the various employment opportunities available. Many corporates, banks and Chartered Accountants offices approach the college regularly for permanent placement as well as summer placement and this information is passed on to the students. A senior teacher is in charge of the functioning of the cell and also works as the liaison agent with the companies approaching the college for placements.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

Parle Tilak Vidyalaya Association's M.L.Dahanukar College of Commerce was instituted with the vision of becoming the leading educational institution in the field of commerce education. The institution endeavours to cultivate creative and productive talents of students, faculty and staff to develop responsible global citizens. Imparting quality education is the main motto of our college. We aim at nurturing a value system, enhancing knowledge, developing skills to enable the whole some personality development of the students and the staff. With this background the vision of the institution is enlisted as:

- Engendering and Nurturing values for enhancing Knowledge, Wisdom, Skills and Humane Values.
- To enable the youth to scale peaks of excellence and pinnacles of glory by imparting quality through education.
- To cultivate creative and productive talents of students, faculty and staff.
- To seek ways to contribute to the nation, the well-being of communities.
- Strive to enhance the quality of life and development of its students and faculty.
- To create Global Citizens.

Mission:

The M.L.Dahanukar College of Commerce will continually strive to impart education to enable its stakeholders to face the emerging challenges of the future. The institution has started number of new courses like Bachelor of Management Studies (BMS), B.Com (Accounting and Finance), B.Com (Banking & Insurance), B.Com (Financial Markets), Bachelor in Science in Information Technology, to equip our students to face the challenges of the future. With this in mind the Missions of the Institution are:

- Provide platform for excellence in academic growth.
- Provide opportunities in extracurricular and co-curricular activities to attain new heights.
- Implement innovative methods/techniques of teaching.
- Impart value based education in the context of global scenario, enabling students to become global citizens.

6.2 Does the Institution has a management Information System

No

Daren
Principal

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

There is very less scope for curriculum enrichment as the syllabus is framed by the University, however the teachers constantly endeavour to provide additional knowledge and information to the students. To sensitize the students and develop their personality the college organizes numerous activities throughout the year. Many of these activities are totally curricular (seminars, guest lectures etc.), co-curricular (elocutions, debates, exhibitions etc.) while some are extra-curricular (sports, dance, drama, singing etc.). Various organizations working in the college like the NSS and the Rotract club also aims on developing empathy and moral values in the young minds of the future citizens and help in Nation building.

6.3.2 Teaching and Learning

- The departments submits their teaching learning plan along with the infrastructural requirement if any to the IQAC through the principal. IQAC advises the principal to take necessary steps so that teaching learning becomes more effective and enjoyable.
- The college collects feedbacks from the students and these feedbacks are analysed and report is forwarded to the IQAC. Based on the student's feedback if required the principal has a dialog with the teacher and guides the teacher to improve or overcome the drawbacks if any.

6.3.3 Examination and Evaluation

- We follow the University of Mumbai's Choice Based Credit and grading system with a Semester pattern. In this system students are evaluated through Internal and External examinations.
- The internal examination is having weightage of 25%. Internal consist of one class test of 20 marks and 5 marks for active participation of the student.
- External examination is of 2 hours duration and of 60 marks in each subject and 75 marks examinations are for 2 hours and 30 minutes is conducted per semester. Continuous evaluation of students is conducted throughout the semester.
- The schedule of all the examinations is prepared well in advance and published in the prospectus before commencement of the academic year. All the examination related notices are also put up on the college website as well as the college App for the benefit of the students.

6.3.4 Research and Development

- Researchers can avail of F.I.P leave to pursue their Ph.D.
- Funds are provided to compensate the expenses towards travel and participation fees. Normally these funds are made available from UGC Grant to attend seminars, workshops and enrichment of knowledge of the staff members.
- The college Library has a total of 36,275 books and 4 Indian journals and 15 periodicals published at state and national levels is the major source that encourages research activities on the college campus. There are 3236 books on research methodology and various related areas. This collection is useful for encouragement for research activities on the campus. Besides, the library has provided separate space for teachers for their reading and research-related work.
- The institution has three computer labs with 100 computers with internet facility for the use of Research scholars.
- Staff members are granted duty leave / travel allowances to participate in outstation conference seminars.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- The college always endeavours to provide quality education to the student community. Keeping this in mind the college has updated the various infrastructure facilities within the college premises.
- All the classrooms have been ICT enabled to make teaching learning more effective.
- CCTV have been installed throughout the college premises to make it safer for the students and staff.
- To update the ICT facilities in the college 20 new computers have been installed in the computer lab.
- To facilitate class room teaching and learning process 15 sound systems have been installed in 15 class rooms to start with initially.

Datta
Principal

M. L. Dahanukar College of Commerce
Dixit Road, Vile Parle (E), Mumbai-400 057.

Page 28 of 41

6.3.6 Human Resource Management

- The college authorities encourage teachers to regularly update their subject knowledge by attending seminars and workshops from time to time.
- Subject experts from different areas of expertise are constantly invited to deliver lectures for knowledge enhancement of teachers and students alike.
- To make the students more effective in their communication skills, language development programs are conducted in the college.
- To develop entrepreneurial skills amongst the students, Enactus an international non-profit organization that brings together student, academic and business leaders who are committed to using the power of entrepreneurial action to improve the quality of life and standard of living for people in need is run in the college. Guided by academic advisors and business experts, the student leaders of Enactus create and implement community empowerment projects around the globe. The experience not only transforms lives, it helps students develop the kind of talent and perspective that are essential to leadership in an ever-more complicated and challenging world.

6.3.7 Faculty and Staff recruitment

- The aided section recruitment rules are as per the University of Mumbai, Government of Maharashtra and UGC guidelines.
- For the un- aided section the post are advertised in national and local newspapers and accordingly interviews are conducted and selection of staff is done.

6.3.8 Industry Interaction / Collaboration

- Eminent speakers from industry are invited to deliver talks on various topics related to commerce faculty.
- Industrial visits are regularly organised by the college to bridge the gap between academia theory and industrial practice.
- Industries visit the college campus for placement of students.

PARLE TILAK VIDYALAYA ASSOCIATION'S

6.3.9 Admission of Students

As college is affiliated to the University of Mumbai and governed by the rules of Government of Maharashtra, admission procedures at entry level is as their guidelines and schedule given by them.

6.4 Welfare schemes for

Teaching & Non -teaching	As and when need arises the management sanctions advance payment against salary for the welfare of the staff and their family members. There is a provision for medical reimbursement and advance against the medical expenses for certain diseases for the staff members by the Government of Maharashtra.
Students	Various welfare schemes like Freeships and Scholarships from the Government of Maharashtra for the socially and economically backward students is provided. There is a book bank scheme wherein socially and economically backward students are provided with books for all the subjects on a return back basis. Needy students are provided with financial help through the Student Aid Fund.

For PG Programmes Yes

Most of the time

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

The college is affiliated to University of Mumbai and is governed by the rules of the University.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

NA

6.11 Activities and support from the Alumni Association

- The Alumni conducts various Essay and Elocution competitions for the college
- It conducts "Natya Abhivachan Spardha", an inter-collegiate level competition.
- It regularly sponsors the inter-collegiate festival of the college "Kurukshetra" for the overall development of the students of the college. Also it sponsors the college magazine "Sunshine" now renamed as "Commercio".
- Every year it felicitates 8 students for their extra-ordinary performance in Academics as well as extra-curricular activities.
- It is a practice of the Alumni to felicitate the ex-students of MLDC who have performed exceedingly well in their respective careers by organizing a get-together every year.

6.12 Activities and support from the Parent – Teacher Association

Parent teacher meet is organised regularly and the parents are updated about the exam norms, changes if any in the exam pattern.

Parents are provided with their wards attendance records.

Parents are provided with a feedback form wherein they are asked to give their feedbacks for improvement in effective teaching and learning.

Deven
Principal

PARLE TILAK VIDYALAYA ASSOCIATION'S

Mumbai -400057

6.13 Development programmes for support staff

The college encourages the support staff to participate in cultural, fine arts and sports competitions held at inter collegiate levels and duty leave is provided to that effect.

6.14 Initiatives taken by the institution to make the campus eco-friendly

Environmental consciousness & awareness is the essence of higher education. Keeping this in mind the college has taken initiative in

- **Rain Water Harvesting:** Within the college campus, we already have an underground well which is supplying water for more than 20 years to the college toilets, washrooms & gardening so the college is self-sufficient and already practicing water conservation.

Realising the importance of water an underground water tank has been installed within the college campus bordered by permeable stones which allows the percolation of the rainwater during the monsoons and helps in raising the underground water table of the region which is beneficial to the surrounding residential areas.

- **Organic Farming:** The main purpose of this innovative program is to inculcate environmental consciousness amongst the students. Accordingly the college has started with an innovative program of organic farming in the college premises (terrace) itself from the academic year 2014-15. There is a teacher in charge of the entire activity, however the actual day to day care needed for the activity is the responsibility of the students itself and the produce of the farms is sold by the students themselves.

This is the innovative idea of the college to bring about greater environmental accountability amongst the younger generation for a better and greener earth.

Devi M.
Principal

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

An innovative program which the college is conducting is a Job Skill Training program for the students. This is our innovative effort to develop employ-ability and entrepreneurial skills amongst students with the emphasis on practical knowledge, soft skills and overall personality development.

The college also conducts foreign language courses to increase the employability of the students and keep the students abreast with the demands of the industry.

The college has to conduct every semester a class test for the Internal Assessment of the students and also encourages the students to make presentations on relevant topics..

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the Beginning of the year

- It was decided to make a list of journals of repute for different subjects and Library should try to procure more journals in the college collection.
Although no new journals have been subscribed by the college, PTVA's Institute of Mgt. have subscribed on line journals data bases like EBFSCO and J-Gate through which researchers can access multiple journals of their choice
- It was suggested that special badges be given to all those prize winners as soon as the events are won. This will motivate other students and build up the moral of the prize winners. Accordingly badges were approved and presented to the eligible students.
- It was recommended to have Information System Audit (ISI) backup with parent institution at least once a year.
Accordingly action has been initiated.
- It was suggested that Education Social Responsibilities (ESR) activities to be initiated. Accordingly activities like Awareness about the menace of Road rage was started.
- It was recommended to prepare a calendar of speakers and to organize one guests lecture per month.
Guest lecture of several eminent personalities from the field of Finance, Information Technology, Management were organised.
- Annual calendar should be in soft copy and displayed well in advance.
Annual calendar has been displayed on the notice section in the college website and has also been printed in the college prospectus.
- Regarding safety in the college fire extinguishers should be strategically placed in major gathering areas.
Already installed & AMC is being done every year.

Dorey
Principal

7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

Best Practice 1: ENACTUS

Best Practice 2: Rain Water Harvesting

Best Practice 3: Organic farming

Best Practice 4: Raftar

**Details in annexure (Annexure no II i, ii, iii)*

7.4 Contribution to environmental awareness / protection

Environmental consciousness & awareness is the essence of higher education. Keeping this in mind the college has taken initiative in

- **Rain Water Harvesting:** Within the college campus, we already have an underground well which is supplying water for more than 20 years to the college toilets, washrooms & gardening so the college is self-sufficient and already practicing water conservation.

Realising the importance of water an underground water tank has been installed within the college campus bordered by permeable stones which allows the percolation of the rainwater during the monsoons and helps in raising the underground water table of the region which is beneficial to the surrounding residential areas.

- **Organic Farming:** The main purpose of this innovative program is to inculcate environmental consciousness amongst the students. Accordingly the college has started with an innovative program of organic farming in the college premises (terrace) itself from the academic year 2014-15. There is a teacher in charge of the entire activity, however the actual day to day care needed for the activity is the responsibility of the students itself and the produce of the farms is sold by the students.

This is the innovative idea of the college to bring about greater environmental accountability amongst the younger generation for a better and greener earth.

7.5 Whether environmental audit was conducted? No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

STRENGTH : <ul style="list-style-type: none"> • Salubrious environment for students to acquire knowledge and practical experience. • Quality assurance of courses and award of degrees from a reputed University. • Up-to-date facilities and ICT infrastructure. 	WEAKNESS: <ul style="list-style-type: none"> • Non availability of aid from Government towards non- salary expenditure • Lack of land for Vertical or Horizontal growth for future expansion of the campus. • Lateral development in course work is difficult.
OPPORTUNITIES: <ul style="list-style-type: none"> • Job opportunities in public and private sectors • Diversification of education by starting new self-financing courses. • Strategic alliances and partnerships with institutions for offering more professional courses. 	CHALLENGES: <ul style="list-style-type: none"> • To motivate continued sustained interest of the students and make them interested in self-study. • The constraints of a prescribed syllabus to be completed within a prescribed time frame. • The limitations of simultaneously running dual programs in association with Professional courses like Chartered Accountancy, Cost Accountancy.

8. Plans of institution for next year

- Encourage Research and consultancy activities
- Commerce or Business laboratory to be started in a methodical way.
- To improve English speaking capacity amongst the students a new modern and well equipped English Lab to be started.
- Industry and Commerce organization must be linked with college and MOU must be established.
- Major/Minor Research projects to be undertaken.
- Gymkhana to be made available to the students and staff members.

ANEXURE –I

Analysis of Students' Feedback

The feedback form measured two criteria:

1. Teaching Learning & Evaluation Process of individual teachers.
2. General Infrastructure facilities in the Institution.

A detailed analysis of the feedbacks gave suggestions of the students in the following direction:

Enhancement in canteen facilities.

In response to this observation the canteen committee was instructed to take regular rounds in the canteen to ensure a clean and hygienic environment. However there is constraints of space and so not much scope for expansion of canteen area.

Demand for bigger and better equipped Gymkhana.

The suggestion was carried forward to the managing body of the parent committee and the decision is pending.

Analysis of Parents' Feedback

Concession in minimum attendance criteria for students doing professional courses like articleship for CA.

In response to this demand of the parents, the college made the parents aware that 75% minimum attendance as per University rules is mandatory but to facilitate these students the college has started with one division each at the S.Y.B.Com and T.Y.B.Com with lectures starting at 6:40 A.M. so that they can become free by 10:20 A.M.

Parents have demanded that the college should have class rooms with Air Conditioners to make the entire teaching learning process more effective.

To implement this suggestion there are huge finances involved and so the proposal has been put forward to the managing committee of parent body.

ANEXURE –II

Best Practice i

Title of the practice- *ENACTUS*

Enactus is an international non-profit organization that brings together student, academic and business leaders who are committed to using the power of entrepreneurial action to improve the quality of life and standard of living for people in need. Guided by academic advisors and business experts, the student leaders of Enactus create and implement community empowerment projects around the globe. The experience not only transforms lives, it helps students develop the kind of talent and perspective that are essential to leadership in an ever-more complicated and challenging world.

2. Goal- En•act•us

A community of student, academic and business leaders committed to using the power of entrepreneurial action to transform lives and shape a better more sustainable world.

Entrepreneurial—having the perspective to see an opportunity and the talent to create value from that opportunity;

Action—the willingness to do something and the commitment to see it through even when the outcome is not guaranteed;

Us—a group of people who see themselves connected in some important way; individuals that are part of a greater whole.

3. The Context-

Enactus MLDC began its journey as (SIFE MLDC) Students in Free Enterprise M.L. Dahanukar College began its work in June 2008. From the time of its inauguration till date SIFE MLDC has undergone enormous changes. The first year was obviously difficult and not as expected, there were many challenges like gathering funds for our project, to convince students to join the cause and to position it amongst many other aspiring organisations in our college.

4. The Practice –

Enactus MLDC is a group of motivated students who are working on a number of projects that are helping the community in a great way. Since 2008 Enactus – MLDC has undertaken 6 projects namely – Project E-Shiksha, Project Aloe Nutria, Project Jeevika, Project Astitva, Project Vikrant and Project Horizon, and is currently working on its new projects.

The team has received a special recognition in ‘Enactus India National Competition 2013’ and was ranked among top 12 teams overall India. The team has also received ‘Walmart Women Economic Empowerment Grant 2014’ for its Project Vikrant which aimed at spreading the self defense techniques in the society.

D. S. Dahanukar
Principal

Enactus is an international non-profit organization that brings together students, academic and business leaders who are committed to use the power of entrepreneurial action to improve the quality of life and standard of living for people in need. Guided by academic advisors and business experts, the student leaders of Enactus create and implement community empowerment projects around the globe. The experience not only transform lives of people in need; but it also helps students to develop the kind of talent and perspective that are essential for leadership in an ever more complicated and challenging world. M. L. Dahanukar College is an active member under Enactus India since 2008.

5. Evidence of Success –

The most important terms in which we measure our success is the sustainability of our community and their satisfaction.

We started off as a group of 30 students but today we have 86 students registered with us. We are about to launch our new project Jal and the support and trust shown by our team and teachers itself prove the rate of success we have achieved being an undergraduate college competing all B-schools at Enactus completion every year.

6. Problems Encountered and Resources required-

The basic problem faced by our team every year is the change of management and students every year.

Apart from this starting a new project every 2 years is the most tedious task as it involves lot of research, time as well as funds which does not click easily every time.

Sponsorship is the most essential source of funds in our organisation hence convincing the corporate to make us a part of their CSR activity requires lot of commitment and promises which along with our academics' is really difficult to handle.

Best Practices ii

1. **Title of the Practice:** *Rain Water Harvesting*
2. **Goal :** To capture & store the rain water.
3. **The Context**

Water being a precious resource has to be used economically. Fresh potable water is available on this earth in very limited quantity. Rainwater harvesting is the technique of capturing & storing the rain water so that it can be used even during the dry months.

Rainwater harvesting involves accumulation and storage of rainwater for reuse before it reaches the aquifer. Uses include water for garden, washroom & toilet. In our institution the water collected is just redirected to a deep pit with percolation. The harvested water can be used for drinking water as well if the storage is a tank that can be accessed and cleaned when needed.

Darshini
Principal

4. The Practice

Within the college campus, we already have an underground well which is supplying water for more than 20 years to the college toilets, washrooms & gardening so the college is self-sufficient and already practicing water conservation.

Realising the importance of water an underground water tank has been installed within the college campus bordered by permeable stones which allows the percolation of the rainwater during the monsoons.

5. Evidence of Success

Environmental consciousness & awareness is the essence of higher education. World over there is a greater awareness of the need to use fresh water sparingly. Recycling of water also needs to be encouraged. The project has helped in creating a soak pit which is recharging the underground water table, however there is no mechanism for measuring the recharge value.

6. Problems Encountered and Resources required

One of the biggest constraints in a mega metropolis like Mumbai is space. Open land is scarce and in short supply. To build up rain water harvesting techniques, we need not only land but also a proper linkage with the surrounding residential societies needs to be developed in order to divert this rain water for their gardening, toilet and washroom facility.

Best Practice : iii

1. Title of the Practice : *Organic Farming*

2. **Goal :** The main purpose of this innovative program is to inculcate environmental consciousness amongst the students.
3. **The Practice:** Accordingly the college has started with an innovative program of organic farming in the college premises (terrace) itself. There is a teacher in charge of the entire activity, however the actual day to day care needed for the activity is the responsibility of the students themselves. The students have to take decisions like what type of plants they should be planting depending on climate and seasons. They also have to take a call on what manures they should be using and accordingly find the source of the manures. Moreover they have to decide on the best time of sowing and harvesting their produce. Their responsibilities do not end here as they have to also market their produce and make the program self-funding.
4. **Evidence of Success:** As of now the program is in its initial stage and the enthusiasm of the students in working actively for the program itself is the greatest evidence of success.
5. **Problems Encountered and Resources required:** The biggest problem faced before starting with this program was the constraint of space within the college premises. A part

Deven
Principal

of the college terrace was allocated for this activity which was a great encouragement for the concerned students and the staff. Another major hurdle is the generation of funds for this program. The produce of the organic farm is marketed by the students but very often is not enough to meet the initial expenditures involved. Moreover there is a need of a trained person to deal with the technicalities of organic farming.

Best Practice : iii

Title of the Practice: Raftar

- (i) **Goal :** The main purpose of this innovative program is to create awareness about the menace of Road rage.
- (ii) **The Context:** Awareness about Road safety amongst the citizens is of urgent need in today's fast moving world. Keeping this in mind the college has started with an innovative program named as Raftar in order to not only bring awareness about road safety amongst our college students but to reach out to a wider no.of road users. Accordingly the following activities were conducted by the college.
- The students are made aware of the website www.ysa.org which contains all the instructions for road safety audit. Accordingly our students were trained to conduct the audit and they promptly uploaded their findings.
 - Our college students took up the initiative to conduct major programmes, such as putting up banner and distribute pamphlets about road safety and gave certificates of recognition to select students, Institutions, vehicle owners and the public, who made a positive contribution towards safety on the roads and safety during travel.
 - The Mobile App for Road Safety named 'Raftar' which is being developed by our students was successfully inaugurated.
- (iii) **Evidence of Success:** The program was well appreciated by the students and people from the neighbouring societies.
- (iv) **Problems Encountered and Resources required:** Fund generation is the most difficult part of the program. Moreover generating sustained interest of the students in the program within the limited time span is also a challenge.
